

Member Name: Panteleimon Takis (Assist. Prof.)

Contact details (e-mail address): ptakis@uoi.gr

CURRENT POSITION

2023 – to date Assistant Professor - School of Sciences / Department of Chemistry, University of Ioannina / Laboratory of Analytical Chemistry / Greece
Honorary Research associate, Imperial College of London, Faculty of Medicine, Department of Metabolism, Digestion and Reproduction, Section of Bioanalytical Chemistry, Hammersmith Campus, IRDB Building, London, W12 0NN, UK

PREVIOUS POSITIONS

2019 - 2023 Research associate, Imperial College of London, Faculty of Medicine, Department of Metabolism, Digestion and Reproduction, Section of Bioanalytical Chemistry – National Phenome Centre, London, Hammersmith Campus, IRDB Building, London, W12 0NN, UK.

2014 - 2019 Postdoctoral Researcher, CERM (www.cerm.unifi.it) - GIOTTO Biotech S.r.l. (www.giottobiotech.com), Via Madonna del Piano 6, I 50019, Sesto Fiorentino, Firenze, Italy

2012 - 2013 Post-doctoral research training (Biophysical Chemistry Laboratory, Department of Biological Applications and Technology, University of Ioannina

EDUCATION

2007 - 2012 Ph.D. Thesis: “The Role of Solvents to the peptide formation: The study of water and dimethyl-sulfoxide molecules interactions with model compounds, amino acids and their derivatives”, Department of Biological Applications and Technology/ University of Ioannina / Ioannina / Greece

2001 - 2006 Diploma/Master’s of Science in Biology and Biotechnology / Department of Biological Applications and Technology/ University of Ioannina / Ioannina / Greece
